

Compact Fairlane Owners Club of Australia Inc.

About us:

We are a group of car enthusiasts with a passion for Ford (Compact) Fairlanes (1962-65). Through our interest in Fairlanes our members develop lasting friendships that go well beyond our interest in cars. Some of our members have been with the club since it was founded in 1980.

Aims of the club are:

- β To promote the preservation and enjoyment of Compact Fairlanes built 1962-65.
- β To share our knowledge and provide advice to members undertaking the restoration or modification of their vehicles.
- β To organise social events, runs and outings for members.

The club is family oriented with regular social activities including club runs, car shows, show and shine, picnics, family days, and social evenings.

Members receive a copy of our club magazine "The Smallblock" which is issued quarterly.

Club permit scheme:

The club is also a member of the Club Permit Scheme which provides our members with reduced motor vehicle registration fees when their car is used in accordance with the scheme.

New members:

We're always looking for new members who share our passion for Compact Fairlanes. Whether your car is original, concourse, or modified you'll find other members who share your interest.

For more information contact Alan Rose, Club Secretary, or the representative in your State.
