MARCH 2011

**EARLY BIRD NEWSLETTER No. 2
22nd NATIONAL MODEL A FORD MEET
IPSWICH QUEENSLAND – Monday 26th to Saturday 31st MARCH 2012**

Dear Model 'A' Folks

Just twelve months to go to the National Meet at Ipswich and we are working hard to make one of the best and friendliest meets in the history of the Model A movement in Australia. Planning is proceeding well and many National Meet Committee members are contributing to the success of the event. Most major decisions have received attention and we are now getting down to the 'nuts and bolts' of the process.

At all times our planning has been focussed on making the meet enjoyable and relevant to all participants. Our club members have participated in many fund raising events and we hope to direct these funds toward subsidising activities and some special and unique surprises that we think will delight participants.

Our proposed headquarters is a pavilion in the Ipswich Showgrounds which could have been purpose built for this event. It has good facilities and will provide roomy and comfortable accommodation for all the planned displays and activities. Our catering and meals planning is well advanced and has been based on quality menus at moderate cost. Meal and merchandise forms will be included in a future newsletter towards the end of the year

The theme for this meet will be 'The commercialisation of the Model 'A' Ford'. We are working on having some displays based on this theme and hope you will keep this in mind when planning your dress for the Gala Dinner.

Our National Meet Program is coming together and a copy of the current draft is attached for your information. You will appreciate that not all items are set in concrete at this stage, and we will keep you updated in future newsletters. You will notice we have added an extra day to the meet, which will now conclude on Saturday 31st March.

A number of the accommodation providers in the list sent with our first newsletter have advised us of packages they can offer and that may be suitable for some attendees. A supplemental list is included with this letter that may assist with your accommodation decisions. We recommend you book as early as possible as we understand accommodation is filling quickly.

An entry form for the meet is enclosed. We encourage all intending participants to return this entry form in early course. Entries will close 31 December 2011.

You have probably heard of the devastating floods in Queensland and other states. Ipswich was particularly hard hit, but many volunteers are assisting with the clean up, and we don't expect there will be any effect on our meet

Looking forward to seeing you there.

Kind Regards
Les Dunstan
National Meet Director
